3 CONVENIENT WAYS TO SHOP FOR COMPANY WORKWEAR AND FOOTWEAR

It's never been easier for company employees to purchase industrial footwear at your favorite Mark's store.

CLIENT SAVINGS CARD

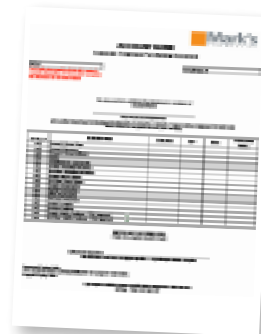

Show the card at any Mark's store to receive your specified discount for a variety of store items shown on the card.

These cards are re-useable and valid until the expiry date found at the bottom of the card. The card must be presented for discounts to be applied against regular priced items. In the event of an item being sale priced, the lower price will apply.

CLIENT VOUCHER

Simply show the voucher at any Mark's store to receive the specified discount shown for a variety of store items listed on the voucher.

The voucher must be shown for discounts to be applied against regular priced items. In the event of an item being sale priced, the lower price will apply.

CLIENT INDUSTRIAL FOOTWEAR PURCHASING CARD

Our new footwear purchasing card contains all the benefits of the voucher combined with a more flexible client reporting experience and easier in-store purchasing. The card is only to be used on industrial footwear.

the difference is like day & VizLite™

With the long winter nights soon approaching, it's important that workers be easily seen both day and night. Wearing industrial workwear using VizLite™ Dual Technology is a smart choice because it combines phosphorescent and reflective technologies to let you be seen at greater distances than using traditional high visibility garments.

VizLite™ Dual Technology phosphorescence offers a third level of protection, when there is low light or no light, by giving off an intense glow for up to 8 hours, without the use of batteries. VizLite™ Dual Technology phosphorescence is charged by ultraviolet light after five to ten minutes of exposure.

There is a range of VizLite™ Dual Technology products to meet the needs of the global safety market.

VizLite™ DT
Domestic wash phosphorescent material
VizLite® reflective tapes (10mm and 50mm width) are stitchable and suitable for mid weight and heavy weight fabrics. The DT material is suitable for embroidering and screen printing to produce identity badges and logos.

VizLite™ DT HA
Heat applied phosphorescent film
VizLite® DT HA is a phosphorescent and reflective heat applied film incorporating a layer of microscopic phosphorescent technology glass beads that offers an innovative solution to garment branding.

VizLite™ DT 7050
Polycotton based phosphorescent material with reflective tape
VizLite® DT 7050 tapes are certified to meet the EN 20471:2013, ANSI 107:2010 and can be used as retro-reflective material on garments which are to be certified to those standards.

Certified to meet and exceed global standards including the areas of: Photo Luminescence, FR Protection, Antistatic, Arc Protection, ANSI 107 and ISO20471 High Visibility, Oeko-Tex with testing undertaken at SATRA, BTTC, ArcWear, UL, Centrocot, VITEC Laboratories Inc. and Shirley Technologies. Compliant with CSA Z96-15 Class 1 & 2, Level 2. BC MOT Safety Apparel.

KEEP YOUR EMPLOYEES FROM SLIPPING UP THIS WINTER!

Get them ice cleats from Mark's Commercial.

We have a complete line of ice cleats to compliment your varied needs.

For example:

WINTER WALKING

TRANSITIONAL TRACTION® ICE CLEATS

TRANSITIONAL TRACTION® ice cleats are designed for the employees who are often the most difficult to provide traction for; those who frequently transition from outdoors to indoor settings and/or drive vehicles.

The key to TRANSITIONAL TRACTION® devices is that they can be left on all day without the need to be removed each time you walk indoors.

ICE BEAST® LOW-PRO

- FEATURES**
- Low-Profile Studs for Versatile Traction
 - 28 durable tungsten carbide studs.
 - Complete access to defined heel for safe climbing.
 - Dual pull tabs for easy on/off.
 - Wing-tip connection points keep steel chains off walking surface.
 - Safer to wear indoors and while driving.
 - Extremely pliable upper ring for easy on/off.

SIZES: 5-14+ (Men's), 7-12+ (Women's) **STYLE:** JD7710

LOW-PRO® ICE CLEAT

- FEATURES**
- 26 minimally exposed tungsten carbide studs.
 - Low-profile studs for versatile traction.
 - 26 permanent tungsten carbide studs for max durability.
 - Safer to wear indoors and while driving.
 - Dual rear pull-tab for easy on/off.
 - Part of the color coded Traction™ System.

SIZES: 5-13.5+ (Men's), 7-11.5+ (Women's) **STYLE:** JD6610MC

Working Together Towards
An Incident Free Future

It's a tough job. *What keeps you going?*

Leo worked for moments like this... *you* work so your employees can have more moments like this.

Leo was a big strong man with a booming voice, but he didn't hesitate to push his daughter's stroller through the park or get on the floor to play cars with his son. To provide for his family, he worked for a paving company.

The family lost its cornerstone the day Leo didn't come home from work.

Learn more about Leo's family at threadsoflife.ca/erin/

We care as much about health and safety as you do. We support families like Leo's after the worst happens: an on-the-job fatality, serious injury or occupational disease.

You can help turn workplace tragedy into hope:

Spread the word — Build Threads of Life into your emergency response and EAP programs. Let those who need help know where to find it: www.threadsoflife.ca.

Get involved — Our members share their stories to help prevent future tragedy. Book a Threads of Life speaker for your health and safety day: www.threadsoflife.ca/speakers.

Designate and donate — Make Threads of Life your company's Charity of Choice. Your company's contributions will directly support Canadian families affected by workplace fatalities, life-altering injuries and occupational disease — visit www.threadsoflife.ca/donate

Association for Workplace Tragedy Family Support

Helping you prevent workplace tragedy. Helping victims of tragedy heal.
