ORDER PROCESS STEPS

1. Print and complete the “Customization Request Form” which is found on the [MARKS/COMMERCIAL](#) home ordering page
2. Forward the completed form to [Kim Shaw](#) (MARKs COMMERCIAL CORP. SALES MANAGER)
3. Kim will review the request and forward to WINNERS manufacturing in Calgary
4. WINNERS will first review the request in order to determine if there is a standard size available which may already suit the employees sizing request. They will also provide applicable charges information in order to customize the item (see “Customization Charges “note below)
5. Kim will respond to the employee via email advising of:
 - New sizing suggestion and request to try that size for fit
 - Associated cost for customization
6. If the alternative size suggestion is not suitable, the employee will respond to Kim advising to proceed with the customization
7. Please allow an extra 2-3 weeks for customization and delivery.

Customization Charge: An average customization charge of \$50.00 dollars will be applied to the cost of the apparel item order.

Note that this charge may vary depending on the detail of the customized work required.
