## HOW TO MEASURE: MEN

For your body measurements, please keep the tape measure taut and follow the below guidelines. We recommend asking a friend to measure you for accurate measurements.

- A. NECK:** Measure around the base of your neck (at collar level), with one finger between neck and tape measure to allow for comfort.
- B. CHEST:** With arms at sides, measure under your arms around the fullest part of your chest. Hold one finger between body and tape.
- C. WAIST:** Measure around your natural waistline while holding one finger between body and tape.
- D. HIGH HIP**
- E. LOW HIP**
- F. IN SEAM:** Measure from the crotch seam to the bottom of the inside leg of a well-fitting pair of pants.

## HOW TO MEASURE: WOMEN

For your body measurements, please keep the tape measure taut and follow the below guidelines. We recommend asking a friend to measure you for accurate measurements.

- A. BUST:** Keeping arms relaxed at sides, measure under your arms and around the fullest part of your bust. Hold one finger between body and tape.
- B. WAIST:** Measure around your natural waistline, at its smallest part, while holding one finger between body and tape.
- C. HIGH HIP:** Measure the protruding points of your hip bones, approximately 3" below your natural waist.
- D. LOW HIP:** Measure the widest point of your hip, approximately 8" below your natural waist.
