# 135

Show the card at any Mark's store to receive your specified discount for a variety of store items shown on the card.

These cards are re-useable and valid until the expiry date found at the bottom of the card. The card must be presented for discounts to be applied against regular priced items. In the event of an item being sale priced, the lower price will apply.

Simply show the voucher at any Mark's store to receive the specified discount shown for a variety of store items listed on the voucher.

The voucher must be shown for discounts to be applied against regular priced items. In the event of an item being sale priced, the lower price will apply.

Our new footwear purchasing card contains all the benefits of the voucher combined with a more flexible client reporting experience and easier in-store purchasing.

The card is only to be used  
on industrial footwear.

When you see the CORE symbol it tells you the style has ample stock and supply is good.

Colors, sizes may be limited in some styles due to unforeseen circumstances.  
Consult your corporate sales person for the most up-to-date information on styles shown in this book.

Look for these symbols with each style to know if it's suitable for your profession.

# WE MAKE PROFESSIONAL GRADE GEAR TO HELP PEOPLE STAY AND FEEL ALIVE

Founded in Norway in 1877, Helly Hansen continues to develop professional-grade gear that helps people stay and feel alive. Through insights drawn from living and working in the world's harshest environments, the company has developed a long list of first-to-market innovations, including the first supple waterproof fabrics over 140 years ago.

Other breakthroughs include the first fleece fabrics in the 1960s, the first technical base layers in the 1970s, made with Lifa® Stay Dry Technology, the waterproof and breathable solution, HELLY TECH®, launched in the 1980's, and today's LifaLoft™ technology, an insulation revolution that will keep you warmer with less weight and bulk compared to traditional polyester insulation.

CELEBRATING  
MORE THAN 140 YEARS  
OF INNOVATION

# It's a tough job. *What keeps you going?*

Leo worked for moments like this... *you* work so your employees can have more moments like this.

Leo was a big strong man with a booming voice, but he didn't hesitate to push his daughter's stroller through the park or get on the floor to play cars with his son. To provide for his family, he worked for a paving company.

**The family lost its cornerstone the day Leo didn't come home from work.**

Learn more about Leo's family at [threadsoflife.ca/erin/](http://threadsoflife.ca/erin/)

We care as much about health and safety as you do. We support families like Leo's after the worst happens: an on-the-job fatality, serious injury or occupational disease.

## **You can help turn workplace tragedy into hope:**

**Spread the word** — Build Threads of Life into your emergency response and EAP programs. Let those who need help know where to find it: [www.threadsoflife.ca](http://www.threadsoflife.ca).

**Get involved** — Our members share their stories to help prevent future tragedy. Book a Threads of Life speaker for your health and safety day: [www.threadsoflife.ca/speakers](http://www.threadsoflife.ca/speakers).

**Designate and donate** — Make Threads of Life your company's Charity of Choice. Your company's contributions will directly support Canadian families affected by workplace fatalities, life-altering injuries and occupational disease — visit [www.threadsoflife.ca/donate](http://www.threadsoflife.ca/donate)

*Association for Workplace Tragedy Family Support*

**Helping you prevent workplace tragedy. Helping victims of tragedy heal.**

## DAKOTA MEN'S CLASS 1 HI-VIS 300D T-MAX LINED VEST

### FEATURES

- OUTER SHELL - 300 D Oxford polyester coated with polyurethane for water-repellence. Double stitched key seams. All seams sewn with strong polyester thread.
- T-MAX® insulation, our lightest, warmest insulation.
- LINING: 150g low-pill polyester microfleece.
- Collar and chin guard lined with 150g low-pill polyester microfleece for greater comfort.
- Dual reflective chest straps for ID badge, cell phone or radio. 2 Lower front zippered pockets with tricot lining. Velcro-close patch pocket and cell phone pocket inside right chest. Tech pocket with headphone loop inside left chest and vertical zipper with cord pull. Zipper-close utility pockets inside lower-right and left front. Locker loop inside neck.
- Outer Velcro-close storm flap conceals heavy-duty 2-way front zipper. Inner storm flap helps seal out elements.

### SAFETY COMPLIANCE

CSA Z96-15 Class 1, Level 2. ANSI/ISEA 107-2015 Type O, Class 1. 2" 3M Scotchlite™ Reflective Material in 4" WCB/WorkSafe BC/DOT configuration.

**VizLite™ DT**  
DUAL TECHNOLOGY

# IMAGINE A GARMENT THAT PROVIDES VISIBLE CONFIDENCE TO THE WEARER IN ALL TYPES OF LIGHT SITUATIONS.

**DAKOTA's new jackets  
and vests with VizLite™  
Dual Technology  
is a combination of  
phosphorescent  
and reflective technologies  
and is a revolution in safety.**

VizLite Dual Technology phosphorescence offers a third level of protection, when there is low light or no light, by giving off an intense glow for up to 8 hours, without the use of batteries.

2" reflective material in 4" contrasting tape meets WCB/Worksafe/DOT configuration. VizLite™ Dual Technology material contains both microscopic glass beads that act as light reflectors, reflecting light back to its original source and photoluminescent crystals which absorb UV energy that is then emitted as a light source in low or zero light conditions.

AVAILABLE AT

 **Mark's**

## MEN'S VESTS

## HI-VISIBILITY WORK WEAR

# CSA Z96 Standards Explained

### CSA Class 1

Apparel consists of a basic harness or stripes/bands over the shoulders and encircling the waist. The center portion of the torso bands between the two vertical bands is optional.

### CSA Class 2

Provides wearer with more visibility than Class 1. Apparel has full coverage of the upper torso (front, back, sides and over the shoulders) and includes bib-style overalls. Stripes/bands are composed of retroreflective or combined performance materials.

### CSA Class 3

Provides the greatest visibility for the wearer under poor light conditions and at great distances. Apparel meets the same requirements as Class 2 with the addition of bands around both arms and legs. These bands are made up of combined performance stripes/bands or a combination of retroreflective and background material.

BACK

## MEN'S

## SWEATSHIRT

## MEN'S HI-VIZ CREWNECK SWEATSHIRT

## FEATURES

- Microfleece construction wicks away body moisture.
- Made of durable polyester for long-lasting use.
- 4" Contrasting colour tape and 2" reflective silver tape on the front, back, and arms improve visibility in low light conditions.
- Classic crewneck design provides a timeless look.
- Rib-knit cuffs and waist ensure a snug and comfortable fit.
- 4-way comfort stretch allows for ease of movement and increased comfort.

## SAFETY COMPLIANCE

## MEN'S SHIRTS

## SHORT-SLEEVE COTTON TRAFFIC T-SHIRT

## FEATURES

- Made from 100% soft cotton fabric that wicks away body moisture for comfort.
- The breathable design promotes air flow and keeps you cool.
- Non-shrinking construction ensures the T-shirt maintains its fit over time.
- 4" contrasting colour tape with 2" reflective silver tape on the front, back, and waist increases visibility, making it ideal for traffic and construction work.
- Reflective arm bands provide 360-degree visibility, further increasing your safety on the job.
- The left chest pocket provides a convenient place to store small items.
