INCORPORATED

Every feature of Covergalls workwear is designed for a safer, healthier and more productive work environment in industrial sectors. All Covergalls products are tailored to fit the female form to inspire confidence and enable optimal functionality that outperforms the competition.

Safe, Comfortable, and Functional Workwear for Women in Industrial Roles.

Covergalls is 100% female owned.

At Covergalls Workwear, we understand women's unique challenges in industrial roles. That's why we've created a workwear line that's specifically designed by women, for women. Our mission is to provide women with the proper fitting, safe, and comfortable workwear to perform their duties confidently.

Inclusive and Enjoyable Workplaces

Everyone deserves to feel included and valued in the workplace, which starts with providing them with the proper workwear. Our workwear is designed to fit all women's body types and styles, ensuring everyone feels comfortable and included. We're dedicated to creating a safer, more inclusive, and more enjoyable work environment.

Empowering Women with the Right Tools

We take pride in empowering women to present their best selves on the job. Our focus is to provide women with the right tools that will enable them to perform their work safely while being dressed in comfortable workwear that has the power to inspire confidence, be inclusive and help complete demanding tasks.
